2. Reason

The Company considers the return of profits to shareholders to be an important management strategy.

The Company’s basic policy is to stably return profits with a consolidated payout ratio of 40% or more in accordance with business results, while taking into account business development and investment for growth in the future.

Pursuant to the above policy, the Company has decided to pay year-end dividends of ¥45 per share for the fiscal year ended March 31, 2025. Accordingly, together with the interim dividend of ¥23 per share already provided, the annual dividend for the fiscal year under review will be ¥68 per share.
